## One Oasis turns a new page in luxury living in Cotai South, Macau

Jointly developed by five reputable companies based in Hong Kong and Macau, **One Oasis** is a multifaceted luxury residence of rich potential that sets a new standard for top-of-the-range residential property in Macau. The development's grand ground breaking ceremony was held on 22<sup>nd</sup> March.

### Renowned Property Developers

**One Oasis** is being developed by a joint venture of well-established property developers including ITC Properties Group, Linkeast Investment Ltd, Nan Fung Group, ARCH Capital and Success Universe Group. **One Oasis'** strong group of developers consists of Hong Kong-listed companies as well as world-renowned developers, builders and international investment institutions with ample experience and successful records in large-scale property investment, planning, development, construction and management.

**One Oasis** will border an international-standard golf course and boast 50 million square feet of greenery as well as proximity to a treasure trove of entertainment at Cotai Strip. The development of **One Oasis** Cotai South includes five residential towers spanning 870 apartments, a central clubhouse, a shopping centre and a 6-star hotel. A comprehensive transportation network will enable its residents to travel effortlessly around Macau, Hong Kong, Mainland China and the world. In neighboring Hengqin, billions of dollars worth of investment led by the Central Government of China are being funneled into the development of a rich, integrated complex of landmarks. The project aims to create a new and upscale living community in a prime area of Macau.
